***** Please note that there is a correction from our April Newsletter Interview by Susanne Servin of Gloria Robinson. The sentence should have read, "Gloria became a Script supervisor for motion pictures for 21 years."**

**Please join me in congratulating our BSC Board
President Barbara Gregoire on the success of her
Granddaughter Gabriela Olay**

"Sometimes you have to go across the globe to ignite a dream."

When Gabriela Olay, granddaughter of Barbara Gregoire, chose to pursue all four years of university at IE in Madrid, she never imagined it would launch a modeling career. After all, she had grown up just 35 minutes from New York City—one of the fashion capitals of the world. Yet within her first three months abroad, Gabriela was featured in a 10-page spread in *Hola Fashion*. Now, less than six months in, she is already building an international presence, signed with agencies in Madrid, New York, Milan, and Paris.

Not a bad beginning for a journey she never planned.
