IMPORTANT REMINDERS

Health & Wellness: If you are not feeling well, we ask that you please stay home & rest and return to the center once you are well. We are doing our best as a community to keep each other healthy and able to enjoy activities each week together. *Also, just a gentle reminder to wash your hands often especially while at the center; before and after meals & group activities and when using the restroom facilities. This will help to mitigate transmission of germs & keep us healthy.*

Closures: If the center needs to close for any reason, an email will be sent and a voicemail message to announce closure details will be left and can be accessed by calling the TSC mobile # 914-337-8487

***Please note that the schedule is subject to change & notifications will be made**
