Dear Members,
After a difficult January we plan to return to in-person activities in February. We ask for your patience as we maneuver through this process, especially given how the risks are changing daily. In order to stay safe we have added a requirement for the Booster shot to attend in-person and, as before, masks will be required, except when eating. Regular testing on everyone's part is a way for all of us to be protected, and although not required, we encourage everyone to do so.

Given both the winter weather challenges, as well as the pandemic challenges, I will be updating the center's voice mail message regularly to notify you of possible center closings. I urge you to dial-in and listen to the voicemail if you have questions about closings.

Please consider donating generously this month to the Breakfast Food Drive to benefit ECAP and its efforts to feed the local community. We will be collecting items all month. We welcome your ideas for other charitable drives during the year. Stay well and stay safe!
