SEPTEMBER- VIRGO: The symbolism of herbs is rooted in many ancient traditions, from indigenous healing to Ayurvedic wellness rituals. So it's no surprise that with time, birth month herbs emerged as a way to understand ourselves. Similar to [birth stones](#) and [flowers](#), each month's herbs hold a special significance—as well as practical benefits.

September: Dill

Meaning: Security, prosperity and rejuvenation

Birthstone: Amethyst

Flowers: Wintergreen, sage, privet
